Book 1

Baby Harry survives a killing curse of an evil wizard, Voldy. At 11, he learns he too is a wizard and is sent to a special magic school. He is sorted into his school house, the Braves, and forges a bond with two other students. The evil wizard is discovered again trying to foil Harry and steal a precious stone. Harry and his friends stop Voldy!

Book 2

Now 12, Harry returns to school to discover a scary chamber hidden under the school has been opened by none other than Voldy. The chamber houses a huge monster that kills students whose parents are non-magical. Again, Harry and his friends uncover the truth and stops the monster just in time!

Book 3

Harry is now 13 and is excited for year 3 of magic school. That is, until he learns an evil prisoner/assumed follower of Voldy has escaped. Long story short, the prisoner, Sirius, was seriously a good guy. Harry and friends helps him escape to freedom. ****This section features students getting "drunk" from NON ALCOHOLIC butter beers. They must be sensitive to Butterscotch...*****

Book 4

At 14, Harry is hoping for a normal year, but is involuntarily chosen to be part of a huge, dangerous magical tournament, along with fellow student, Cedric (a puff). But, with the help of a fake Mr. Moody, Voldy fully returns, killing a beloved character in the process. The shatters Harry's (and the Puffs) sense of safety.

Book 5

Harry, 15, returns to school angst and full of rage--like most teens. He can not escape dreams of Voldy and death. He searches out the truth, but makes mistakes, ending with the death of a close family member. Also, like most teens, his hormones get the best of him...

Book 6

At 16, Harry is back at magic school and is working closely with the school's Headmaster to finally defeat Voldy. However, things don't go according to plan and a beloved character dies in the process. Students, Puffs included, are now at the mercy of the evil wizard, Voldy and his death buddies.

Book 7

In the final installment, Harry (17) and his friends don't return to school. Instead, they use their time to find all the magical items that will defeat Voldy. Harry then returns to school, enlisting everyone to help him conquer Voldy in the ultimate final battle!
